DONATE A CHICK TO A CHILD IN NEED!

Turn in 2+orders on any turn in day and earn a baby chick! Through our partnership with Great American and Save the Children, we will be donating chicks to a village in Bangladesh. When a chick becomes a chicken, it produces hundreds of eggs each year, thus providing food, as well as an income, for an impoverished family. The student will receive a chick "cut-out" that he/she can write their name on and display on our special World map! At the end of the fundraiser, Save the Children will coordinate the delivery of the baby chicks on behalf of Bigelow MS.

STEP INTO THE AMAZING MONEY MACHINE!

Any student who turns in **5+ orders** by Dec. 3rd (Turn In Day #1) or **10+ orders** by Dec. 10th (Turn in Day #3) will earn a CHANCE to step into the money machine! We will draw 3 students names per grade to enter the cash machine. Try to catch as many bills as you can! The teacher from the top homeroom will grab for cash too! Online orders count!
