**\* GIVE A CHICK TO A CHILD IN NEED**

Any student who turns in 2+ magazine orders (online orders count also) will earn a baby chick! Through our partnership with Great American Opportunities and Save the Children, we will be donating chicks to a village in Somalia. When a chick becomes a chicken, it produces hundreds of eggs each year, thus providing food, as well as an income, for an impoverished family. The students will receive a chick "cut-out" that they can write their name on and display on our World map. At the conclusion of our magazine drive, Save the Children will coordinate the delivery of the baby chicks on behalf of the students and families from Weston Middle School. If we reach our goal, we will donate a baby goat also!
